

INTELLECTUAL PROPERTY: PATENTS, TRADEMARKS & COPYRIGHT

AS TECHNOLOGY CONTINUES TO SHRINK THE BUSINESS WORLD, ESTABLISHING AND PROTECTING YOUR COMPANY'S BRAND, PRODUCTS AND OTHER INTELLECTUAL ASSETS IS ESSENTIAL TO ITS ONGOING COMMERCIAL SUCCESS.

OUR EXPERIENCE AND TEAM APPROACH

Our Team of in-house experts and consultants will work with you to register and enforce your rights in intellectual property of any kind, including patents & designs, trademarks and copyright material.

Our talented solicitors, including Counsel, can provide premium representation in court or critical advice in IP Australia's Appeal and Alternate Dispute Resolution (ADR) processes.

The Team's commitment to providing the very best representation and results in intellectual property matters is just part of what makes the HHG Legal Group the top ranked 2 director law firm in WA.

WHAT PUTS US AHEAD OF OUR COMPETITORS

HHG boasts an expansive network of talent and resources. With 4 offices statewide and a fast growing network of over 60 legal experts at our disposal, our 'team-based' approach to solving your legal dispute is what makes us a leader in law and invaluable to the success of your matter. As an additional bonus, the HHG Legal Group Intellectual Property team has a close relationship with Wray & Associates, Patent Attorneys.

COMMITMENT TO QUALITY

Ever focused on the value of the services that we provide, our Intellectual Property Team provides proactive and insightful advice designed to safeguard your intellectual property rights and prevent disputes from arising.

Should our clients find themselves involved in intellectual property proceedings, our Team of IP experts work in a close partnership with our Litigation Team to ensure that you receive the highest possible quality of legal representation no matter how big or small your matter.

Our Intellectual Property Team offers representation for and advice on:

- Applications and appeals to IP Australia for trademarks, designs and patents;
- Intellectual property litigation and dispute resolution processes;
- Patent Attorney services including patent infringement and enforcement;
- Appeals from decisions of the Patents Office, including patent opposition;
- Infringement of trademarks and expungement/rectification of the Trade Marks Register;
- Copyright infringement, including infringement of software and rights in Circuit Layouts.
- Actions for domain name cybersquatting;
- Claims of passing off and misleading and deceptive conduct under the Trade Practices Act;
- Anti-competitive or restrictive trade practices;
- Actions for breach of confidence and misuse of trade secrets; and
- Restraint of trade clauses in employment and sale of business contracts
