WHAT PUTS US AHEAD OF OUR COMPETITORS

OUR SERVICE AND TEAM APPROACH

Our Superannuation law team is dedicated to providing clients with a service of the highest quality, relying on up-to-date knowledge of legal authorities and a broad range of experience in Superannuation law matters.

Senior Solicitors, Junior Solicitors and our experienced administration staff will work together with leading experts. This team approach is renowned for helping our clients reach a swift and commercially sound result in this ever changing area of law.

SPECIALIZED EXPERTISE

We specialise in advising both employer-sponsors and superannuation fund trustees on a wide range of issues, including fund establishment, mergers, outsourcing, claims by members and beneficiaries and trust deed amendments and interpretation.

Our experience means that we can be practical and commercially-focused, offering solutions that are both effective and consistent with industry best practice.

Our Superannuation Law Team offers:

- Drafting or reviewing Trust Deeds and Rules for new and restructuring funds;
- Advising and updating employer-sponsors and trustees on the interpretation of Trust Deeds and Rules and their obligations and powers under these documents and under superannuation and other applicable legislation;
- Reviewing Trust Deeds and fund administrative arrangements to ensure compliance with equal opportunity, privacy and other applicable legislation;
- Advising trustees on death and disability claims;
- Litigation, including conducting matters in the Superannuation Complaints Tribunal and the courts;
- Liaising with the Australian Prudential Regulation Authority, the Australian Securities and Investments Commission and the Australian Taxation Office on compliance difficulties and queries;
- Drafting or reviewing investment management and custody agreements and advising in relation to ancillary agreements such as futures trading agreements; and
- Taxation issues.
